

Well, our first Official Newsletter is here!

Along with other changes, the website has been updated recently with:

- Enhanced Business Listings Search – more than 500 DB entries so far, more to come...
- Chat Room/Online Discussion Board
- Classified Ads (free to post for now anyway)
- and many other subtle enhancements

Work is underway to enhance and debug the business listings, implement a member login system, shopping cart plus numerous other enhancements you're sure to enjoy!

Newsletters should appear every quarter or so and update you on new features/developments. We hope you enjoy RunningSpgs.com and use it as an online resource tool.

Thanks for looking!
